Pacific Coast Intermodal Port (PCIP)
Terminal Planning Project
Addendum No. 1
Date Issued: September 30, 2026

This Addendum No. 1 is issued under §2.2 (Addenda) of the above-referenced RFP to answer Proposer Questions / Requests for Change and/or to modify the RFP. Terms used have the meanings in OAR 137-046-0110. This Addendum is incorporated into the RFP as though fully set forth therein. Except as expressly modified below, all terms and conditions of the RFP remain in full force and effect. Per §2.2, only officially issued written Addenda are binding on the Port and Proposer; the Port is not responsible for sending Addenda, and Proposers are responsible for monitoring and downloading from the posting site above.

Acknowledgment: Each Proposer must acknowledge receipt of this and all Addenda on the *Acknowledgment of Addenda* form submitted with its Proposal, consistent with the certifications in Attachment A – Proposal Cover Sheet, Part II.

RESPONSES TO PROPOSER QUESTIONS / CLARIFICATIONS / RFI
Comment No. 1

Comment: Can a firm submit individually for a discipline and also submit as a sub as part of a larger team?

Response: A firm may submit its own Proposal for one or more disciplines and may also participate as a sub-consultant on another Proposer's team, in the same or a different discipline. For example, a firm may propose individually for Discipline 1.4 Civil Engineering and serve as a sub-consultant to a Proposer for Discipline 1.3 Environmental Studies (for example, performing the wildlife surveys). Each Proposal is evaluated independently under Section 3 for the discipline(s) it covers; a firm's

individual Proposal and its role as a sub-consultant on another team are evaluated separately and neither receives credit for the other. A firm that submits its own Proposal for a discipline and also serves as a sub-consultant to another Proposer in that same discipline must disclose this in the cover letter of its own Proposal, and each Proposer remains bound by the independence and non-collusion certification in Attachment A, Part II. Sub-consultants do not submit separately; the prime Proposer lists each sub-consultant on Attachment D, includes key sub-consultant personnel under Section 3.2.4, and provides a signed Attachment F for each sub-consultant whose work will support the EIS. All Proposals must meet the submittal requirements of Section 2.
