December 17<sup>th</sup>, 2025, 1300hrs

**Start Time: 1300**

**End Time: 1330**

**Port Commission Chambers, 125 Central Ave, Suite 230, Coos Bay, Or 97420**

1. Call meeting to order: Gregg Harvey called meeting to order
2. Introduction of Attendees: Dave Snyder with USCG came in from NW District. Rick Adamek was unable to attend. Ray Dwire stood in.
3. North Jetty update: Line item is completed.
4. Update on dredging: Application for Unified Dredging Permit is in the works. Permit will be good through July 2029. Will need samples from businesses that want to continue dredging. The Port of Coos Bay will assist in getting information out to businesses.
5. PCIP/North Spit container project: No updates. Combine items 5 & 6. Add a CBRC update as item 6.  
CBRC Update: Two deployment drills went well. Doug is possibly looking to retire and Walrod is possibly going to fill his position.
6. GP Prospects: Customer pulled out and land is currently vacant. The Port of Coos Bay is looking into Brownfields studies.
7. Open discussion: Question brought up about what to do with derelict vessels, specifically the ones under the bridge. We are instructed to call the Sherriff's department so they may start their process.  
Nick with Sause mentioned that there is an international Harbor Safety Committee Conference in Seattle in March. He will email the information.
8. Next meeting date, time, place: The Coast Guard would like to come down for the next meeting. MacKenzie will reach out to them to work out a date in March that would work for everyone.
9. Adjourn
